

2024 // SUPPLEMENTARY REGULATIONS

www.jfom.com.au
4 – 5 May 2024

EVENT DIRECTOR'S INTRODUCTION

Welcome to the second edition of the Tyrepower Joondalup Festival of Motoring

Team JFOM and the City of Joondalup were devastated to have to postpone the November 2023 event due to the bush fire emergency, even though we knew it was the right thing to do on a number of fronts.

We were overwhelmed by the support from sponsors, competitors, and the local community in making that tough decision, and many confirmed it was the only choice we could make given the circumstances.

So, stick with us as we roll out JFOM 2023 in 2024!!!

The Tyrepower Joondalup Festival of Motoring celebrates this subculture by bringing together vehicles of all kinds, setting them in the vibrant backdrop of Joondalup, adding live music, delicious food vendors, corporate hospitality and family entertainment to achieve a fun festival atmosphere.

We're eager to continue to evolve and build on the success of the inaugural event, and were pleased that Australia's biggest independent tyre group, Tyrepower, wanted to continue their support by becoming the festival's naming right's sponsor.

Tyrepower General Manager, Dale Klompmaker, said the group was thrilled to come on board as a sponsor for the second year running. "We're excited to again be part of the Joondalup Motoring Festival; we had such a great time last year and saw a fantastic community response, so it's a win for everyone to be able to help bring it back," Dale said. "Being a local independent, we're part of the local community, dedicated to the WA motoring community, so this is a real feather in our cap to have naming rights to such a popular and community building event.

Perth has an amazing motoring history, from the 1957 Australian Grand Prix in Caversham to the award-winning World Rally Championship. We also dream of building the Tyrepower Joondalup Festival of Motoring into an icon of the Australian motoring calendar.

The City of Joondalup is the perfect backdrop for this event with its modern, fresh facilities, beautiful parklands, easy access, and welcoming local business community. We want to thank the City of Joondalup Council and its administrators for their enthusiastic support and generous sponsorship.

The competitive element of this event, the Joondalup City Sprint, gives participants a safe outlet to stretch their car's legs and show off the performance value of these machines around a 2.5km street track.

The Sprint requires 200 event officials, who work tirelessly from dusk to dawn to deliver a seamless and safe experience for participants and spectators. We want to thank our event officials who lend us their expertise, all for the love of the motoring community and sport.

Our thanks also go to our sponsors, Motorsport Australia, and the car club community, all of whom play an essential part in the Tyrepower Joondalup Festival of Motoring experience.

Kind regards,

Justin Hunt
Event Director

SCRUTINEERING**Saturday 4 May 2024:**

Group A – 12:00 noon – 3:30 p.m.

Group B – 4:30 p.m. – 8:00 p.m.

Scrutineering will take place under the City of Joondalup Library, enter off Boas Avenue and head down the ramp located next to the library.

It is recommended (if arriving by trailer) *Automobiles* are unloaded before heading to the underground carpark area. There are a number of carparks and street parking around the administration complex.

Sunday 5 May 2024:

Only for country entrants. Bookings are essential, places are very limited, please email info@jfom.com.au to book a Sunday appointment.

Please refer to the map at the rear of this document for locations.

VEHICLE SIGNAGE

Windscreen Stickers: Each *Automobile* will be provided with front and back windscreen numbers.

- FRONT FACING - Please place in the top right corner of the windscreen (when looking at the front of the vehicle).
- REAR FACING - Please place in the top left corner of the rear windscreen (when looking at the rear of the vehicle).

Door Plate: Competitors are requested to carry the *Automobile* number / sponsor door plate on the front door of both sides of the *Automobile*. The door plate is not to be modified.

Where there are two competition numbers on an *Automobile*, the onus is on the competitor to ensure the unused number is hidden.

All stickers are required to be attached before scrutineering is completed.

OTHER INFORMATION

All *Automobiles* must comply with Schedule A and Schedule B of the Motorsport Australia Manual. Approved helmets and apparel is required, in accordance with Schedule D of the Motorsport Australia Manual. Fuel must be in accordance with Schedule G of the Motorsport Australia Manual. *Automobiles* must be adequately muffled.

Competitors must produce a valid and current:

- Motorsport Australia Competition Licence (for the Driver)
- Motorsport Australia Competition Licence (for the Co-Driver, if applicable)
- Drivers Licence (as issued by the State or Federal Government)
- Club Membership Card of a Motorsport Australia Affiliated Car Club
- Logbook (if issued)

Entries will be accepted in order of receipt unless otherwise specified.

The *Organisers* may refuse any entry in accordance with the NCR. The *Organisers* may refuse any entry, for any reason, if deemed unsuitable or not within the style or aim of the competition, without further explanation.

Entries from *Competitors* under 18 years of age must be counter signed / consented to by a parent / guardian.

Event Organisers reserve the right to cancel, abandon or postpone the event in accordance with the NCR.

ALCOHOL, DRUGS AND OTHER SUBSTANCES

Integrity

Motorsport Australia's National Integrity Framework and any associated policy (including the Australian Anti-Doping Policy, Motorsport Australia's Illicit Drugs in Sport (Safety Testing) Policy, the Motorsport Australia Alcohol Policy), apply to any activity authorised by Motorsport Australia as published at www.motorsport.org.au.

Any Participant including the holder of a Motorsport Australia Licence (or a Licence issued by another ASN) may be tested for the presence of alcohol, any drug or other banned substance. In addition to any penalty imposed by Motorsport Australia, a further penalty/s may be applied by Sport Integrity Australia. Consumption of alcohol in any Reserved Area is prohibited until all Competition is concluded each day.

Smoking

Smoking (which includes e-cigarettes and "vaping") and any naked flame is prohibited within 3 metres of any refuelling / defueling operation.

EVENT OPERATIONS

The Event will be run over one lap with a total distance of 2.1km, with a bitumen surface. It is run in an anti-clockwise direction. Only one entry per *Automobile* will be accepted unless approval is sought from *Organisers*.

A map and road book showing the route will be provided at documentation.

Two COMPULSORY observation runs will be required prior to competition. Observation runs are restricted to 50kph maximum speed. Only the driver (and co-driver) are permitted in the *Automobile* for the observation runs. Helmets are not compulsory.

The *Organisers* will make every effort to give each competitor four timed runs. The slowest recorded lap will not count towards final results, and up to three timed runs will count towards all awards.

The *Organisers* will seed Competitors in a reverse order (slowest to fastest) which may be amended throughout the day on the grounds of safety. A start order will be published on the day, and *Competitors* will be required to stay in this order. The *Organisers* may publish a revised start order throughout the day.

The total of the fastest timed runs (up to the fastest three) will be utilised to determine the winners for Outright and each Category. In the case of two or more competitors having the equal fastest time, then it will be based on their 2nd and 3rd fastest times.

The *Organisers* may allocate additional awards in the Further Regulations.

Protests, if any, must be lodged in accordance with the NCR.

Competition will be continuous. The onus is on each *Competitor* to make sure they have their correct number of runs. The *Organisers* may be required to halt competition to allow for the egress of adjacent residents and business operators.

Automobiles will start at approx. 30 second intervals; however, with the approval of the Stewards, the *Organisers* reserve the right to alter this.

Competitors are forbidden from overtaking a moving *Automobile* during their run, under no circumstances are they to overtake another *Automobile* unless that *Automobile* has stopped.

There will be several Red / Amber warning lights and Red / Yellow flags along the course. These are all considered to be the same **high-level warning**.

If a **high-level warning** is displayed at any location, a competitor must immediately make a significant reduction in speed. The Clerk of the Course may allow the *Automobile(s)* effected by the display of the **high-level warning** to contest the course again. If circumstances do not permit this, the Clerk of the Course will propose to the Stewards an allocated time for the Competitor for that run. No Competitor which is totally or partially responsible for displaying a **high-level warning** may benefit from this measure.

The Start Light sequence is as follows:

- 10 seconds Red (Wait)
- 5 seconds Amber (Ready)
- 0 Green (Go)

The *Competitor* should "go on green" but their time will not start until they break the beam. The Green stays on for 5 sec, and then there is a short blip of the Red light until 10 seconds before next car where the above repeats. This "blip" is the "move up to the line" gap.

The abort sequence is Red and Amber together followed by alternating Red and Amber. If both lights come on at any time, including during the last 10 seconds, the *Competitor* must abort the start.

Timing will be to the tenth of a second. Times will be available on www.jfom.com.au during the event. All results are provisional until 30 minutes after the conclusion of the event, in accordance with the NCs.

The speed for all transports, liaison, moving to the start line, and from the finish line, will be low speed walking pace of 5kph.

Certain public property, professional indemnity and personal accident insurance is provided by Motorsport Australia in relation to the event. Further details can be found in the Motorsport Australia Insurance Handbook, available at www.motorsport.org.au

Competitors involved in accidents resulting in property damage are advised that they may be required to pay up to the first \$10,000 of any claim to rectify such property damage.

Scrutineering to be conducted as per the event schedule, appointments will be allocated.

Competitors are advised that any in-car video or moving film cameras must be installed in the *Automobile* prior to scrutineering so that the camera and its mounting can be inspected. Cameras are NOT to be attached to your person or helmet.

A reminder that competitors are responsible for your *Automobile* and apparel being compliant with Motorsport Australia safety and technical regulations. Competitors are reminded that the following items will be checked by scrutineers prior to and during the Event:

- (i) Roll over protection, if installed, specified in Schedule J of the NCR.
- (ii) Full harness seat belts if installed, that comply with Schedule I of the NCR.
- (iii) Fuel must be in accordance with Schedule G of the Motorsport Australia Manual
- (v) A fire extinguisher complying with NCR Schedule H, i.e. AS1841 900g.
- (vi) Helmets and apparel complying with NCR Schedule D
- (vii) Having, on the external coachwork, a blue triangle of sides 150mm, indicating the position of the battery.
- (viii) *Automobiles* must be adequately muffled to comply with noise restrictions of 95dB (A).

Any oil or fuel spill must be reported to the Clerk of the Course. Spills must be cleaned up immediately and any contaminated soil removed from the area.

This Event may include a Motor Sport Passenger Ride Activity (MSPRA) which will be run under and in accordance with the Motorsport Australia MSPRA Policy. A strictly limited number of passenger rides will be permitted; however, will NOT take place during competition runs.

The MSPRA can only be activated by the Organisers, to fulfill sponsorship or VIP requirements.

VIP Rides will be conducted in accordance with the Motorsport Australia Passenger Ride Activity (MSPRA) Policy and with Motorsport Australia rules, policies and procedures.

- (a) A briefing must be attended by each *Driver* and *Passenger* (and guardians of each *Passenger* if *Passenger* is under 18 years of age) conducted by the Clerk of the Course prior to the MSPRA commencing.
- (b) *Passengers* MUST:
 - i. Wear the same protective equipment as a *Driver*
 - ii. Be fitted and restrained as required for each *Automobile* with consideration for their physical attributes
 - iii. Complete a Passenger Ride Entry Form and disclaimer
 - iv. Be at least 12 years of age
- (c) *Automobiles* and apparel used must pass scrutineering.
- (d) Unless otherwise approved by Motorsport Australia *Automobiles* will only carry one *Passenger* per ride.

Each *Automobile* taking part must have the event rally plates / numbers and other event signage affixed prior to the VIP Rides. Further details concerning the location will be provided at a later date.

No team may place a passenger in a competition vehicle without the permission of the *Organisers*.

ARRIVAL AND DEPARTURE – SUNDAY 5 MAY 2024

All *Competitors*, Service Crew and Support Crews are required to arrive via Shenton Ave / Davidson Ave and proceed to the Service Zone as per the attached map.

SERVICE ZONE

The Service Zone is located on McLarty Ave in Joondalup City Centre. Access via the attached map.

The Service Zone incorporates McLarty Avenue, and the two car parks known as McLarty Avenue Parking Station P1 and McLarty Avenue Parking Station No. 2. Some areas are uneven and if used as Service please be aware.

The *Organiser* is keen to ensure there is enough room for all, and request that compliance with the following, in addition to your competition *Automobile*:

- Only one SERVICE VEHICLE may be parked in the Service Zone.
- SUPPORT VEHICLES are to be parked in the upper levels of the Reid Promenade Multi Deck Car Park (93 Boas Avenue, Joondalup); we will provide you with credentials at documentation.
- TRAILERS are to be parked ~800 metres away at Neil Hawkins Park.
- Please note this is a lock in event for competition crews and support vehicles.
- On the day, you must arrive BEFORE 7:40 a.m. as Davidson Terrace closes at 8:00 a.m.

PROPOSED COURSE MAP

Proposed course map and is subject to regulatory approval.

SERVICE ZONE / ARRIVAL AND DEPARTURE MAP

Road closures are in place throughout the Joondalup City Centre on Sunday 5 May 2024. Entry to the precinct must follow the following prescribed route:

- Entry from intersection at Shenton Avenue / Davidson Terrace.
- You must follow the one-way traffic flow once inside the road closure footprint.

Therefore, access to the Service Zone (both for arrivals and departures) is strictly via the intersection at Shenton Avenue and Davidson Terrace.

Please note: There will be a lot of traffic all using the one-way loop. Please proceed with caution and follow the instructions of the marshals.
